warm up 6 min. max. 6 skaters

- **A maximum of four (4) jump elements, consisting only of single jumps.** Axel type jumps, double jumps and triple jumps are not permitted. There may be up to two (2) jump combinations or jump sequences. One of the jump combinations may consist three (3) listed jumps. A jump sequence may consist of any number of single jumps that may be linked by nonlisted jumps ,but only the two (2) listed jumps with the highest value will count towards the technical score. Each listed jump may be performed a maximum of two (2) times.
- **A maximum of two (2) spins of a different abbreviation one of which must be a spin in one position with no change of foot.** Flying spins are not permitted. • The spins must have a required minimum number of revolutions: three (3) for any spin with no change of foot, and six (6) for the spin combination with change of foot or the spin in one position with change of foot. A spin that has no basic position with 2 revolutions will receive no level and no value, however a spin with less than three rotations is considered as a skating movement and not a spin. Spin combinations must include a minimum of two (2) different basic positions with two (2) revolutions in each of these positions anywhere within the spin.
- **A maximum of one (1) choreographic sequence utilizing at least half (1/2) of the ice surface.** A choreographic sequence consists of any kind of movements like steps, turns, spirals, arabesques, spread eagles, Ina Bauers, hydroblading, transitional (unlisted) jumps, spinning movements etc; the pattern is not restricted.
